ENGLISH TEACHING ACTIVITIES

On December 1st ten of our Grade 601 students participated in an English Reader Theatre Contest. The students practiced very hard, and delivered a great performance. Our school is very proud of them, and we appreciate all the time and effort they put into preparing for the competition. They should feel extremely proud of themselves! A very big “THANK YOU” to teacher Lilly, Tiffany and Elaine who also helped teacher Jeanette.

During the “English Corner” on a Thursday and Friday morning the Grade 1 students have a lot of fun while learning many new and interesting things. Teacher Jeanette is very happy with the progress of the students, and she believes their enthusiasm is the secret. Teacher Iris, who assists teacher Jeanette in the morning, is a great help. Our principal often joins the class and this just confirms how much he cares. He is an amazing principal who shows a keen interest in his students.

This year our students dressed up for Halloween and everyone had a good time. All the Grade 1 classes took part in the custom “Trick or Treat” and were given candy.

English Conversation Classes are still offered to the staff of our school. Teacher Jeanette realizes that the teachers have very busy schedules, and appreciates that teachers take the time to attend her classes.

During Week 9 and 10 the Grade 5 students had to make a Cup Holder, and we were pleasantly surprised with the end results. The students were very creative. During Halloween week York, from Grade 501’s mother baked “Gingerbread Men” Cookies, and the students had to decorate them. The students loved doing this activity. And they shared them with staff members. “Thank you Mommy for helping us!”

Teacher Jeanette would like to wish all the students and their parents a wonderful CHINESE NEW YEAR!
